MESSAGE FROM THE DEAN

Congratulations on your admission to Azrieli!

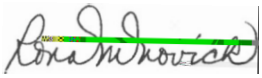
Welcome to Azrieli and to the future of Jewish education. Whether you aspire to teach or lead, or are a seasoned professional, at Azrieli you have found the perfect address to advance your knowledge and skills, to be inspired and to inspire.

At the heart of Azrieli is the belief in supporting the healthy development and education of each and every Jewish child. We want nothing less than excellent and meaningful Jewish education for every Jewish child, in every Jewish school. Developing a cadre of committed, excellent educators is critical for that goal and will yield great dividends for Jewish education and Jewish communities.

As part of your professional development, and equally important for the field are experiences and partnerships that integrate academic learning, and research. As Jewish educators, we are entrusted with a sacred task that will enrich not only our students' lives, but our own.

Welcome to the Azrieli Graduate School family, and to the community of Jewish teachers and learners.

Warmly,



Rona Milch Novick, Dean

FINANCIAL AID, SCHOLARSHIPS AND FUNDING

The University offers assistance with different types of funding and will also work with your company's tuition reimbursement policies. For students from outside the US, the university can accommodate scholarship awards from your home country. For qualified domestic students looking to apply federal aid via the FAFSA, please use the YU federal code **002903**

Scholarships

All Azrieli students are eligible for internal scholarships with submission of the completed Financial Aid Application Form. Azrieli scholarships are available to many of our students. We encourage all students to submit a Financial Aid Form All students in good academic standing, are eligible for generous support. Please contact Marian Reiss, Azrieli Academic Administrator, at marian.reiss@yu.edu or 646-592-6364 for more information.

Additional Funding Sources

Additional funding may be available through programs funded by outside groups, such as

- synagogues
- employers
- community centers
- labor unions
- women's organizations
- fraternal and civic organizations

Students are encouraged to research possible external sources of funding for their education.

Mid-Career Fellowship Program

The Mid-Career Fellowship Program provides additional funding for those who meet the following criteria. This funding may be combined with other Azrieli scholarships:

- Must be 5 years post undergraduate
- Have a minimum 3 years experience working in Jewish communal or educational settings

How Graduate Financial Aid Works

Unlike undergraduate financial aid, graduate students do not receive a financial aid "package." Funding comes from four main sources 2.3 ЭDMCID 17 ud/onsibility to create a budget.

All domestic students who plan to apply for federal aid must submЭa Free Application forFederal Student Aid (FAFSA) at www.fafsa.gov You must complete the FAFSA each year to receive funding. Your award eligibility DMCbased on ID 17previous year's tax7 uturn. Our FAFSA code DMC002903. International students are not eligible to submЭa FAFSA but are eligible to receive WSSW scholarships.

VIRTUAL CLASSROOM: CANVAS

How to Get Started in Canvas

Canvas is the web platform that will be used to conduct classes remotely or to access files and submit assignments.

All students, in both online and on-campus programs, will have access to Canvas. All students also have access to 24/7 Canvas support to ensure they stay focused on their courses and have the best experience possible when learning online.

STUDENT HEALTH AND WELLNESS SERVICES

Counseling Center

The Counseling Center offers free, confidential services to Yeshiva University students. The staff includes therapists, psychologists, and psychiatrists. Visit yu.edu/student-life/counseling for more information.

Office of Student Health

All students have access to Yeshiva University's Wilf Campus Health Center. The Office of Student Health supports health with a variety of initiatives. For more information, please visit: www.yu.edu/student-life/resources/health

Health Policies and State Mandated Immunizations

On-campus students are required to have health insurance and prove state-mandated immunization to certain diseases.

Please refer to the following page for health insurance information.

All students taking 6 credits or more on-campus must provide proof of immunization to measles, mumps, and rubella (MMR) as required by New York State Public Health Law.

All students taking 6 credits or more on-campus must provide a complete Meningococcal Response Form, or submit proof of meningococcal vaccination within the past five years.

All students studying on-campus are required to submit proof of vaccination for COVID-19.

The Office of Student Services will send MMR and Meningococcal Response Forms to all registered students prior to the start of the semester. These forms must be returned by the first day of classes. If you have questions, contact yuhealthcenter@yu.edu

STUDENT RESOURCES AND SERVICES

Azrieli Student Resources Web Page

The Azrieli website contains all our most-often used documents. The site contains:

FAQs

Library Services

All students at any Yeshiva University campus have full access to the entire YU Libraries system: articles, journals, books, databases, and more. YUFind is our discovery service system, allowing you to access many of our electronic databases with a single search. Library staff are available to help with research procedures, proper citations, and more. Learn more at yu.edu/libraries

Wilf Campus Library

Pollack Library and Mendel Gottesman Library 2520 Amsterdam Avenue,

New York, NY 10033. Call 646.592.4045.

Career Center

Yeshiva University's Career Center offers students a range of programs and resources, from personalized counseling and career planning to the latest professional search technologies. The Career Center also hosts on-campus recruiting events, career fairs, and information sessions, partnering with employers, alumni, and community supporters to connect students with professional opportunities. In addition, YU faculty offer career mentoring, helping students to identify career options2u6.1 (i2oniy s toMCIa2lpiny)4 C
