Yeshiva University Financial Conflict (v)-4l CiTj EMC [(P) (ក្រិយីលិង Tc 0.004 Tw -17.23 -1.1[(P)-3l C (i(m)-4

). Yeshiva University University recognizes themisraptionas ae of foidentifying and evaluating FCOI that may affect University research decisions,

If the University is a subrecipienutnder another institution's grant/award, then the @Sall determine if this Policy, or the other institution's FCOI policy, will be followed generally

or	,		•

(iv) In addition, PHSnvestigatorsalso must disclose the occurrence of any reimbursed

Disclosure Obligations in Publications or Presentations

The University also expects Covered Individuals to disclose all financial interests related to their presentation or publication of research results. Such financial interests would: (ii) lude financial interests innetities supporting or otherwise connected to the presentation, publication or research, (ii) the Covered Individual provision of consulting services on the subject of the research, and (iii) any other financial interests that the Covered Individual reasonably believes could be material to members of an audience or readers assessing the opinions, advice, or work presented by the Covered Individual his includes the disclosure of a financial interest in an entity which owns or has a contractual relationship to the technology being reported or discussed.

Training (for PHS Investigators ONLY)

PHS Investigators nust complete financial conflict of interest train to engaging in PHS supported research and at least once every four (42) reswhile they are still engaged in PHS supported research. PHS Investigators also must complete this training immediately of the following circumstances:

- when this Policy is revised in any manner that affects the requirements applicable to PHSInvestigators;
- when the PH\$nvestigator is new to the Universite ven if the PH\$supported research has already begun; or
- When the University determines at the PHS nvestigator is not in compliance with this Policy or an imposed management plan.

Please contact the SP for information about accessing this training program.

Review Process

The University's Provost shall appoint a Research Conflict of Interest Comn<u>Rttæl</u> (
<u>Committee</u>) comprised of at least one individual. The Provost shall appoint a Chair of the RCOI Committee, who also shall serve as Director of the University's Research Conflict of Interest Program and is the Institutional Official for all research flict of interest matters (<u>Chair/Directo</u>).

The RCOI Committee shall consult with the Pand the University's Office of the General Counsel. A majority of the members of the RCOI Committee will constitute a quorum, and the RCOI Committee may act by majority vote of the members present at a meeting (in person or by telephone or other electronic means) with a quorum, or by written or electronic consent of a majority of all members.

Promptly after submission of an FCOI disclosure (and in any greentally within fifteen 0.002 h Tw 27.0thl

- Whether the Covered IndividualSFI is related to his/heresearch; and iso,
- Whether the SFI constitutes an FCOI.

If an FCOI is identifiedgenerally within thirty (\$0) days, the

Documentation of such review will include the following key elements?roject number and title; (ii) Pls or project directors(iii) Covered Individualand entity resulting in the FCOI; (iv) Reason the retrospective review was comple(te)dDetailed description of methodology used to conduct the retrospective review.g., methodology of the review process, mposition of the review panel, documents reviewed, etar)d(vi) Findings and conclusions the review

Additional Requirements for PHSupported or NSISupported Projects

For PHSsupported projectsheOSP will coordinate the University's filing such FCOI and other reports as required under PHS regulations, including beforending any funds under a PHS-supported project, and when an FCOI is not identified and manlage addition, as required on an annual basis the University submit FCOI reports to the PHS awarding agency specifying the actions that will be taken to manage the FCOD forward. If the retrospective review finds bias in the design, conduct, or reporting of PSHS portecactivity, the University will notify the PHS awarding agency promptly and submit a mitigation report, as required, which will include:

- x The key elements documented in the retrospective rediesoribed above
- x A description of the impact of the bias on the research project; and
- x The University's plan ofaction or actions taken to eliminate or mitigate the effect of the bias (i.e., impact on the research project, extent of harm done, including any qualitative and quantitative data to support any actual or future harm; analysis of whether the research project is salvageable).

For PHSupported clinicalesearchif the U.S. Department of Health and Human Services determines that a PHSupported linical researchproject (.e., a project whose purpose is to evaluate the safety or effectiveness of a drug, medical device, or treatment) has been designed, conducted, or reported by a Covered Individual an FCOI that wanot managed or reported by the Universityas required by the regulation, the University will require the Covered Individual to disclose the FCOI in each public presentation of the results dfrthoalcresearch and to request an addendum regarding such disclosure to previously published presentations.

For projects:ponsored by the National Science Foundation (NSE)Chair/Directowill notify the NSF Office of General Counsel if the University determines it is unable to satisfactorily manage a FCOI.

In all instances, the Chair/Director also may determine is/her discretion that interim measures are necessary regarding the Covered Individual in the affected PHS or NSF-supported researchand the Covered Individual must comply with such measures

Records

Records relating to all SFI disclosus, including the review of and response to the disclosures (whether or not resulting in an FCOI finding), and any other action underdificity (Including a retrospective review) will be maintained by the Chair/Director (or his/her designee) on behalf of the University for the longer of (i) three (3) years lowing the termination or completion of the
