

KATZ

The State of New York mandates licensure for individuals practicing within the field of SLP. Individuals who provide speech services in a public school in New York State must also hold “Teacher Certification” as a TSSLD, which requires additional courses and filings beyond the standard State regulations.

STATE REGULATIONS TO PRACTICE AS A SPEECH-LANGUAGE PATHOLOGIST

- Be of good moral character
- Be at least 21 years of age
- Meet education requirements
- Meet examination requirements
- Meet experience requirements

Education Requirements

You must have obtained a graduate degree in SLP from

POST-MASTER'S WORK EXPERIENCE

You must complete a minimum of 36 weeks of supervised experiences in SLP. The experience cannot begin until after all requirements for the graduate degree are satisfied. The supervised experience must be completed within a four-year period with not more than two employers, and may be full-time or part-time. Full-time: at least 36 weeks of continuous employment consisting of at least 35 hours per week. Part-time: at least 72 weeks of continuous employment consisting of at least 35 hours per week.
